Yes, the monthly amount should be the remainder of your originally awarded funding plus the additional \$3,000 that you requested.

The total matches what I have; did you adjust the monthly amount so that it would spend down?

**Thanks!**

Hi Megan,

I have attached a revised invoice template with the additional funding that you requested. I have plugged in the amount I have recorded for your previously invoiced total, so please review to ensure it matches your records, sign, and return.

Thanks,
